

CERTIFICATE OF DESIGNATION OF A RESTRICTED HIGHWAY

To the Town Clerk of the Towns of Westmorland and Vernon, County of Oneida:

This is to certify that it appears to the undersigned, Deputy Commissioner of Public Works of Oneida County, necessary to designate a section of highway in the Towns of Westmoreland and Vernon, County of Oneida, as a restricted highway, pursuant to Section 104-A of the Highway Law and Section 1625 of the Vehicle and Traffic Law, said highway known as the Cooper Street beginning at NY State Route 233 and leading to NY State Route 26.

It is necessary to restrict public travel on that portion of highway beginning at NY State Route 233 and leading westerly a distance of approximately 5.44 miles, as such highway is being improved by the milling of a highway and the work cannot be properly conducted and completed unless the portion above described be designated a restricted highway during the time such work is in progress.
Tentative date of milling is August 7th and 8th 2025.

Executed on this 5th day of August 2025.
